

# CLIMB<sup>®</sup> Catawba Valley

## Children's Lives Include Moments of Bravery

A Program of The Children's Treehouse Foundation

A cancer diagnosis is difficult for all family members, especially children. CLIMB is a **FREE 6 week** support program for children ages 5-12 with a parent or grandparent experiencing cancer.

Dates: Tuesday evenings – September 17, 24,  
October 1, 8, 15 & 22  
from 6:00 - 7:30 pm in  
Catawba Valley Medical Center's  
Comprehensive Cancer Center

Children will learn about cancer, its treatments and how they can cope with and express their feelings, all in a fun and supportive setting. A parent program is provided as well. Each evening begins with a light meal. Participants will meet other children and parents in similar circumstances.

To pre-register or for more information, please contact Barbara Stark, CVMC Oncology Social Worker, at 828/326-3397.

*Inspiring emotional support for  
children of parents with cancer*
